Fanny Lam

Rick came out of retirement in November of 2019 to serve as APA's Executive Director. He responsibly guided the organization through uncharted waters during the last two years of the pandemic. "I am proud to have served our community and led APA during these critical times. I have had the pleasure of working with Fanny, both as a colleague on our board of directors and in my current role, and I am confident that APA will continue to thrive under her leadership."

Fanny Lam brings 18 years of business expertise in finance & operations management, as well as nonprofit experience, to APA. Fanny is devoted to serving underprivileged families and capable of providing strategic and financial guidance to help achieve APA's goals and mission. Prior to becoming the Executive Director of APA, Fanny served on APA's board of directors for six years.

She also serves on various non-profit boards, including as Board Treasurer of the City of San Francisco Portsmouth Plaza Parking Corporation, and Chairperson of the Planning Commission at the City of Rohnert Park, Sonoma County. Her enthusiasm and entrepreneurial spirit enable the organizations that she serves to grow smartly and sustainably.

"I am passionate about contributing my business expertise to support the growth of APA and its ability to provide essential services to the community. Over the past six years, I have had the privilege of getting to know APA, our dedicated staff and the people we serve. I am honored to be our next Executive Director."

Previously, Fanny served as the Director and Spokesperson of Yu Ming Group, a private equity firm with investment in publicly listed companies and commercial real estate in Hong Kong. In San Francisco, she worked as a licensed commercial real estate broker prior to committing herself full time to nonprofit work.

Fanny earned her bachelor's degree in Business Administration at the Chinese University of Hong Kong and her Bachelor of Law at the University of London.
